West Horsley Village Fete 11th September

On Saturday 11th September, a village fete is being held at Dene Place from 2pm until 5pm. It's a village wide activity, and as a church we are going to have a stall offering food, face-painting, badge-making and prayer, as well as information about who we are and what we do. This is a great mission opportunity on our doorstep as we build relationships in our community. Please put the date in your diaries now, and we look forward to seeing you all there on the day. We want to have lots of people from the church not only at the fete, but also around the stall, simply talking to people and building relationships. More specific help for the activities of the stall will be needed, and if you're able to offer before being asked, please speak to James or Katie asap. Many thanks!

Horsley Community Bus

The Horsley Community Bus provides various regular runs to supermarkets and also to the local library and other amenities in Horsley. Every Monday and Friday they go to St Martins Court for lunch visits. Spaces become available on most runs from time to time. If you are interested in making use of this service or in finding out more about it, or indeed in becoming one of it's drivers please contact Kim Mackenzie 284309 or John Sansom 284471.

Meeting Point - Loseley Park Thursday 5th August

coffee. Following coffee we will go to the house for our private conducted tour. Weather permitting we will have our picnic lunch in the walled garden. After lunch we are free to wander in the walled garden where there is an exhibition of sculptures. If wet we will come back to my house at 4 School Lane West Horsley for our picnic lunch as there is nowhere at Loseley where we can get out of the rain. If you have fold-up chairs please bring them for our picnic. We would like the money for this outing no later than Sunday 1st August.

Mission News

News update from mission partner Happy Child International: "I (Sarah de Carvalho) visited the work of Happy Child in March and the numbers of street children visible on the streets of Belo Horizonte has been vastly reduced, showing that we have made a huge difference. The need in Recife remains urgent and we will now be focusing on replicating the successful Belo Horizonte model to Recife. Angola remains part of our vision, however we need to ensure that the timing is right and that the situation in Recife is addressed first."

He is now on the mend after being very poorly in hospital with an infection and dehydration from a nasty attack of Chicken-pox. Many thanks once again and also thank the Lord for answering those prayers. God Bless, Sandy.
