Meeting Point enables retired people to make new friends, go to new places, be busy again, be included, laugh, take up new responsibilities, learn more about each other, love one another and God.

## FURTHER INFORMATION

You are invited to all the events on this programme arranged by St Mary's Meeting Point for retired people, both spiritual and social.

The Third Thursday services at the church are quite short and informal. They are always followed by Ploughman's lunch and home made soup. A good time to get to know people better.

October 3rd is the last Evensong of the year.

Sign up sheets are available in St Mary's church 4/6 weeks in advance of outings. If you are unable to get to the church to sign up, and want to be included, phone Ann (01483 211912) who will add you to the list.

Some spontaneous Summer evening trips will be arranged, subject to weather. Keep an eye out for announcements in the St Mary's weekly bulletin.

St Mary's mini bus is the usual form of transport for outings, plus private cars if necessary. When signing up for the social events, please mention if you would like a lift to and from the venue or pick up point; usually Lower Hammonds Farm in Ripley Lane.

A member of the Pastoral team is always available should you want to talk about anything. Please ring Mary McAllister on 01483 282457 if you would like a chat and/ or a visit.
