

Small group questions about the vision (w/b 29.11.10 or beyond)

These follow on from themes talked about in Sunday's talk (29.11.10) Use them as you see fit (there won't be time for all of them!!) ...

- Simply talk about things that struck you from Sunday's talk. Things that maybe encouraged, challenged or surprised you, or questions you may have as a result.

- Look up some of the following Bible references, thinking about the church & its purposes...

Matt 22:34-40; Matthew 28:16-20; Acts 2:42-27; Romans 12:1-8; Eph 3:14-21 & 4:11-16; 1 Peter 2:9-10; 1 John 4:7-21

How could these be realised through our purpose statement?

- What does it mean to 'live fully for God' and why might we need to start there when applying the vision?

- What do you think it means to be 'Bible-centred', and 'fully committed to the Word of God'?

- What did you understand by 'growth in our facilities'?

What might this mean for us in practice?
